***Happy Birthday to Us!***

Next Day Animations was founded in 2010. Since then, we've made thousands of videos for hundreds of clients, learning and growing along the way.

While we won't be having an in-person 10th birthday party, what better way to celebrate than joining our beloved mascots on a journey! Whether you share this with your child or your child at heart, we hope it gives you a moment of joy and relaxation this holiday season.

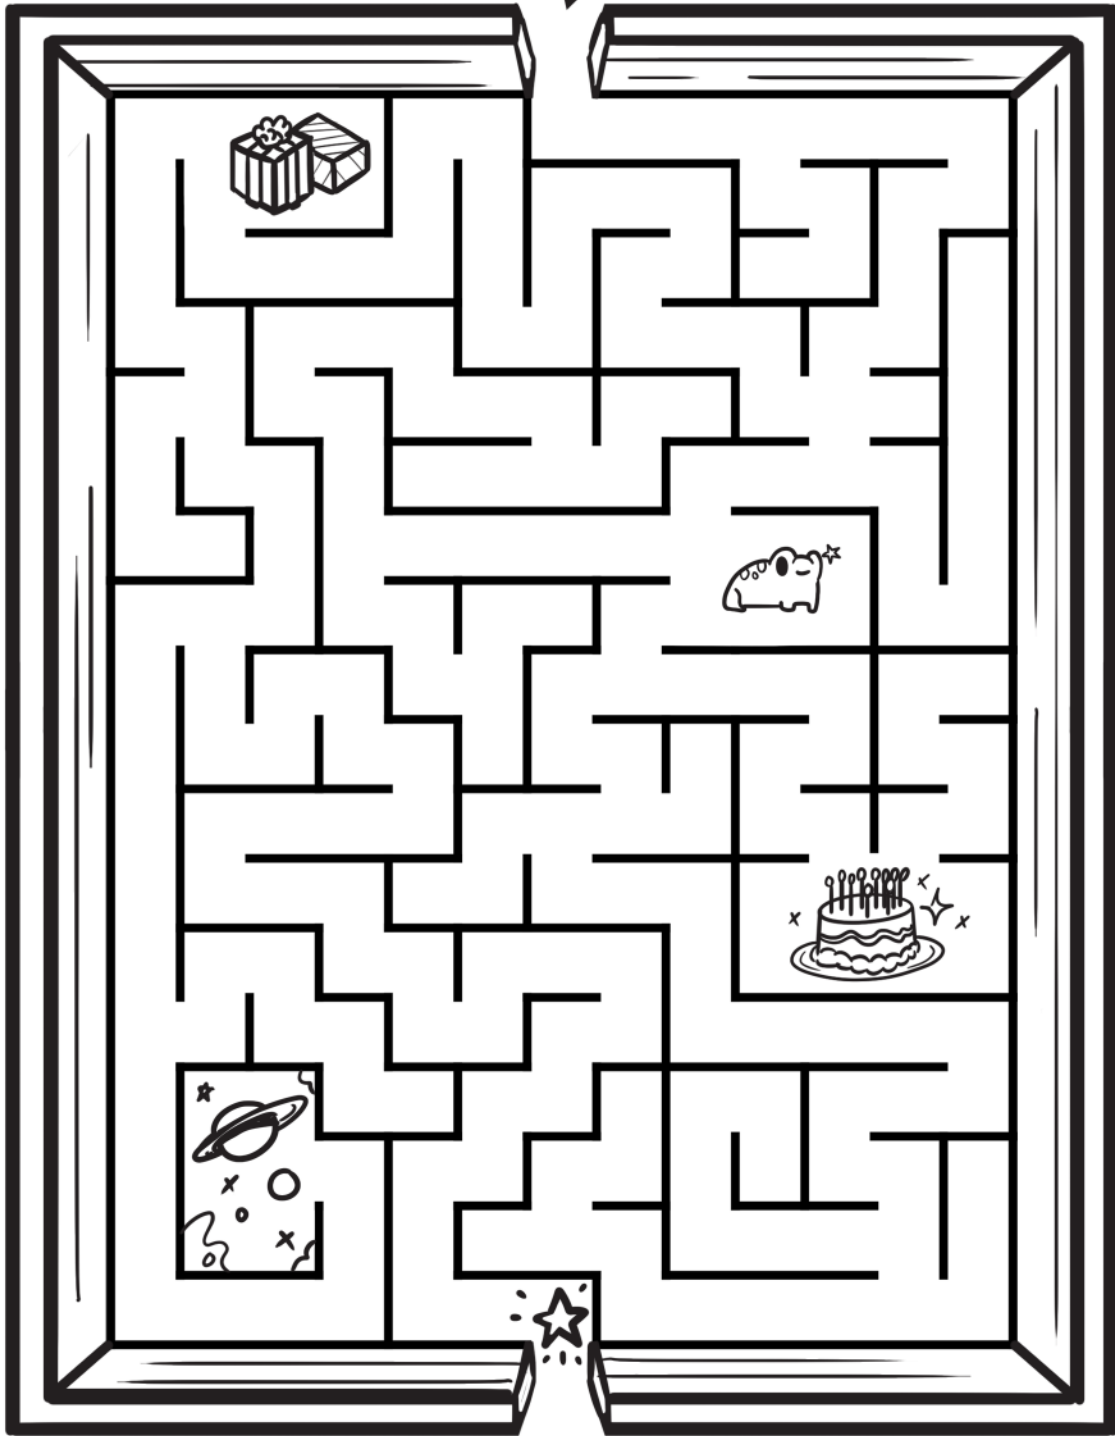

**Today is a big day for Chicken and Knight.  
They're going to Next Day Animation's 10th Birthday  
Party! But before they go, Knight must find Chicken!**

**START!**

*Help Knight finally catch up to Chicken by going through the maze!*

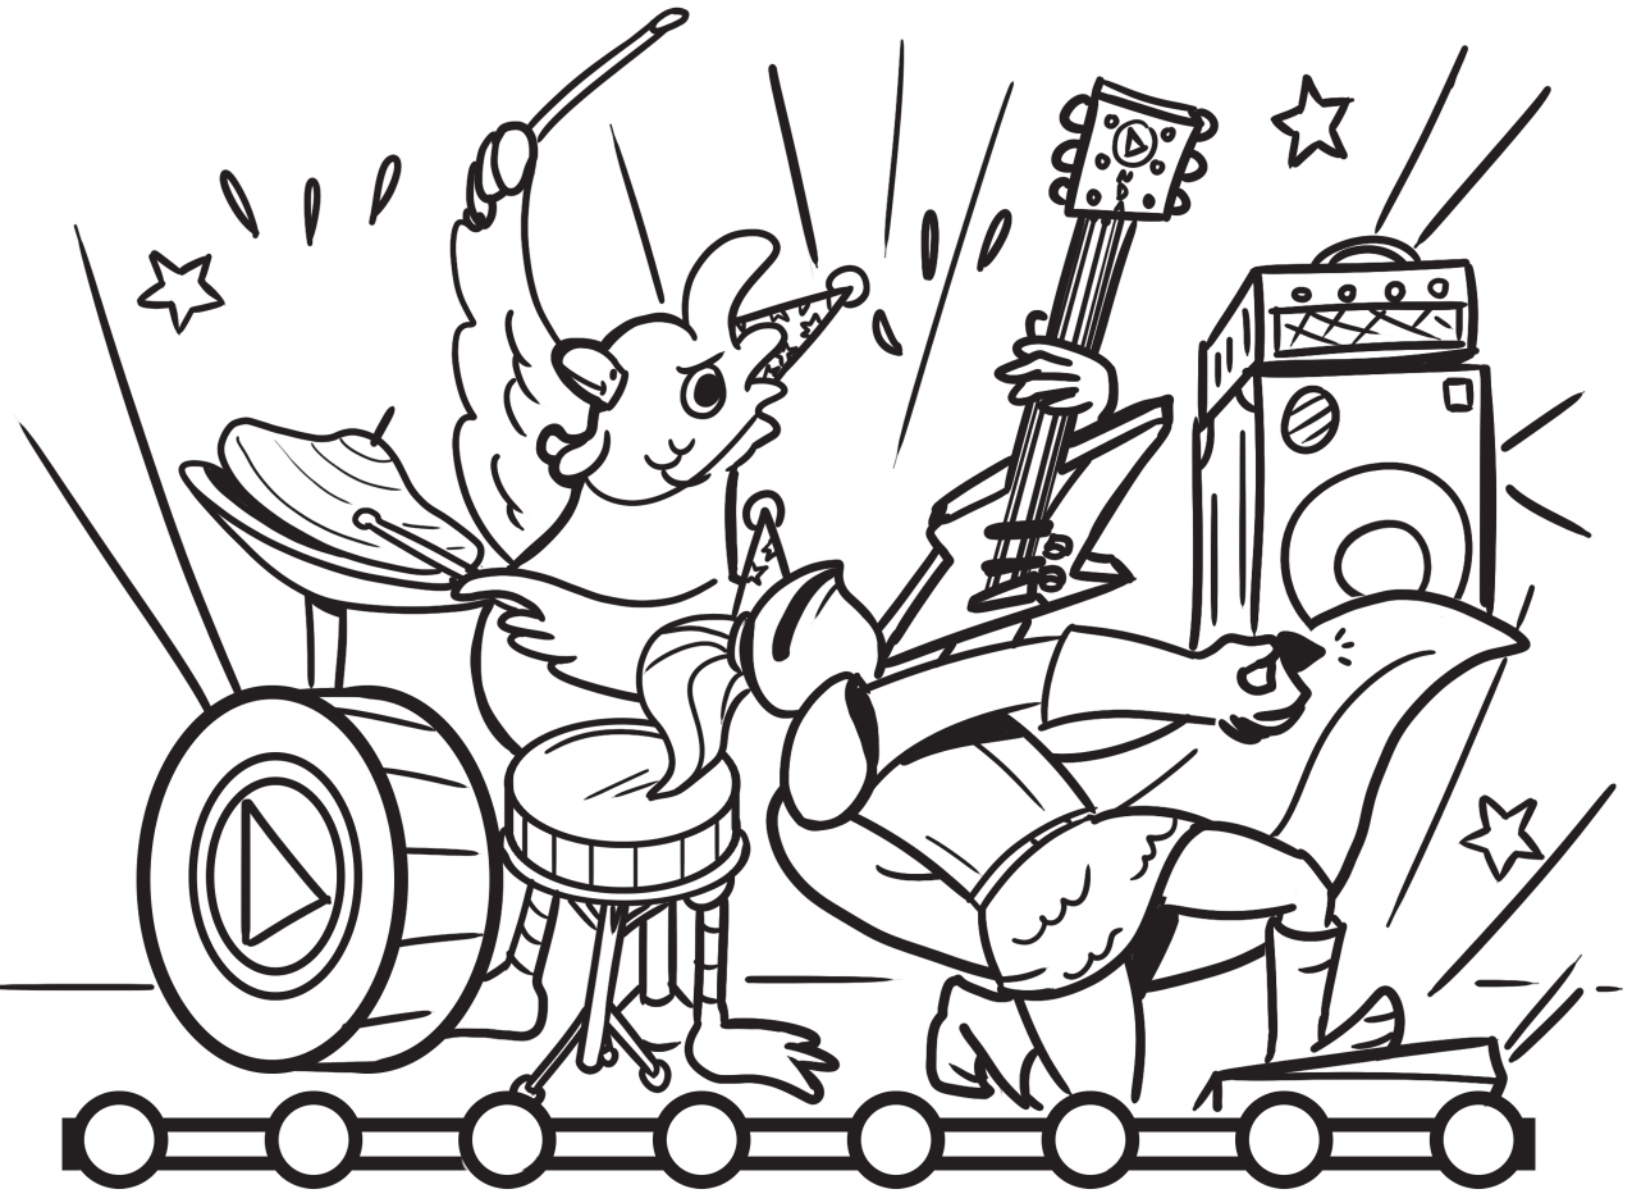

**FINISH!**

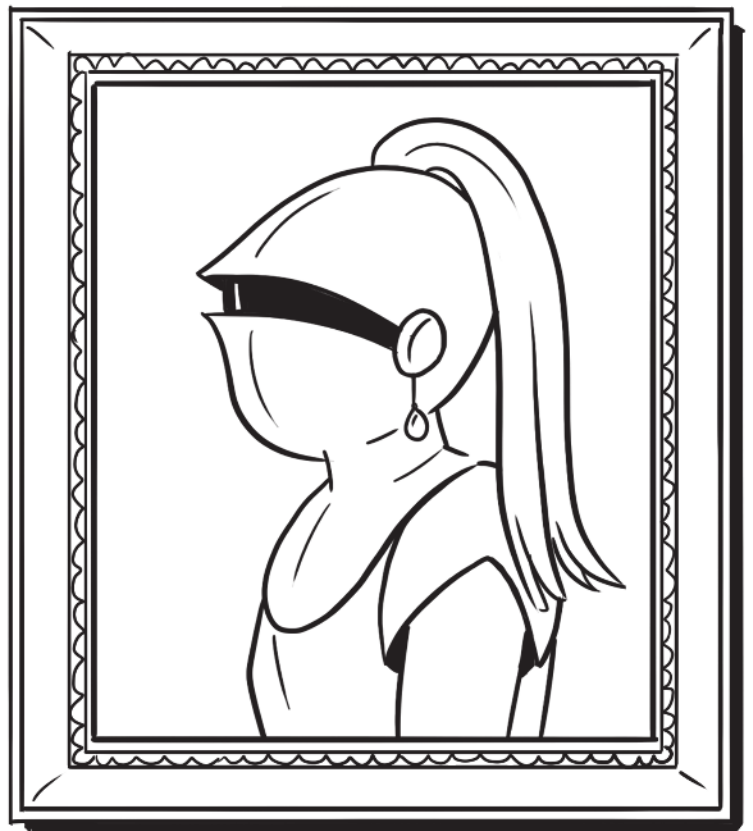

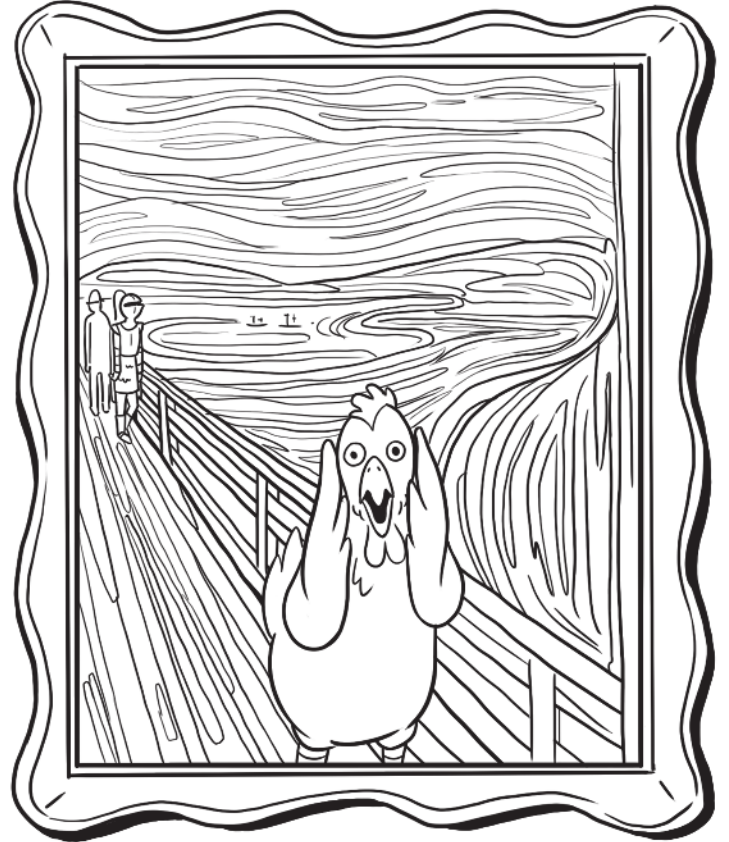

**YOU DID IT!**

# RAGE PAGE

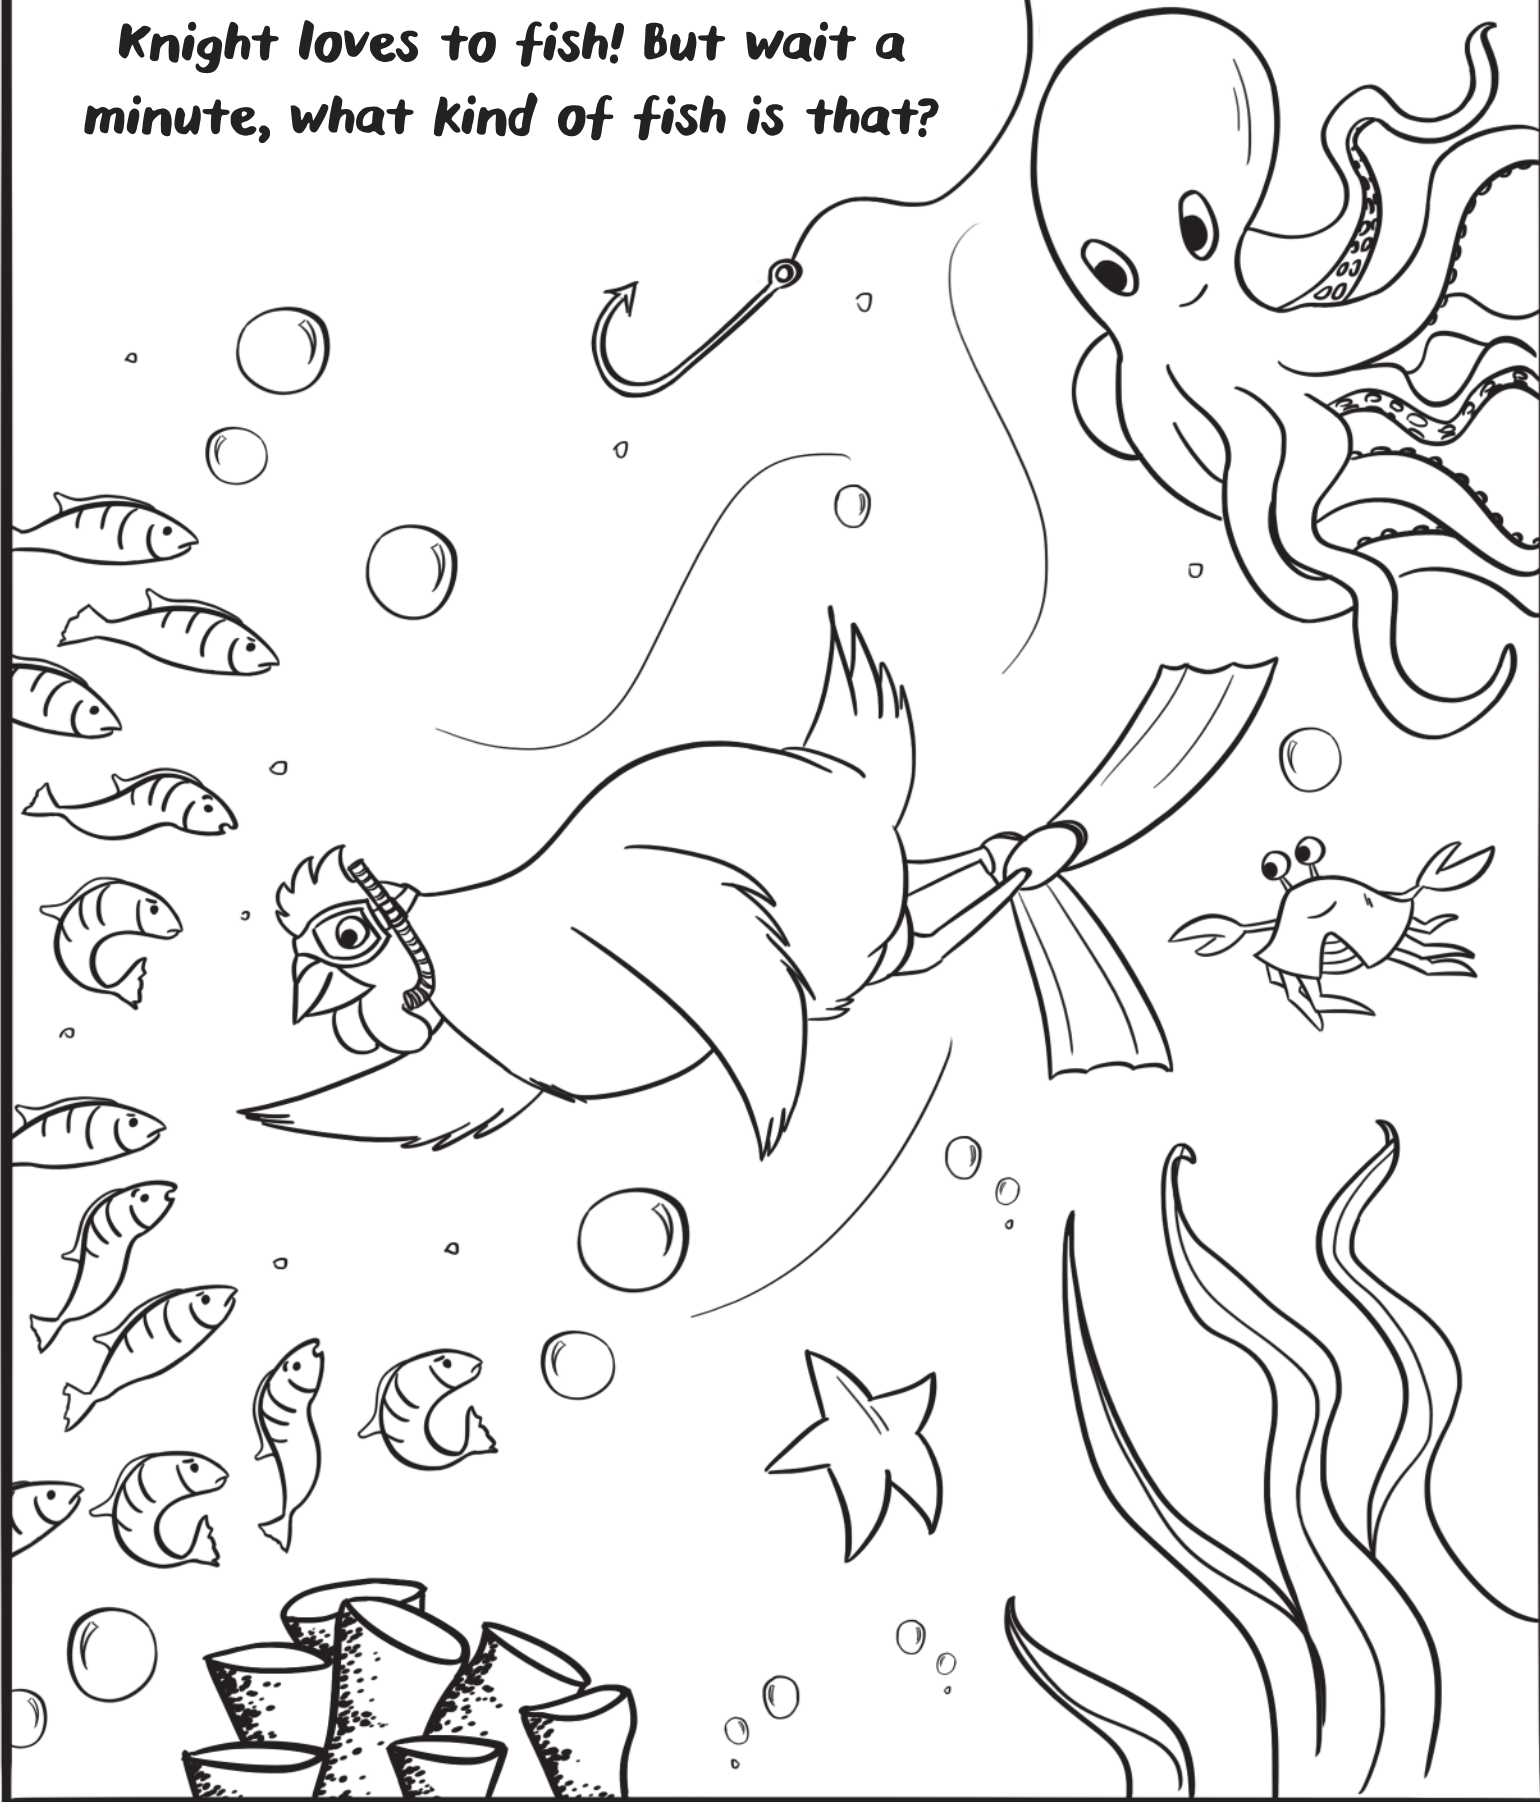

*This Page is all about rage. A rage page full of rage.  
You can rip out this page and crumple it up!  
Or you can scribble all over. Grrr.  
Make sure to stay outside the lines!*

*On weekends Chicken and Knight spend time at the museum.  
Sometimes they see some familiar faces!*

***Knight loves to fish! But wait a minute, what kind of fish is that?***

# HAPPY BIRTHDAY

*Finally Chicken and Knight are at Next Day Animation's 10th Birthday Party! Color in this birthday cake before they gobble it up! Quick!*

This coloring book is a token of our gratitude for you, our clients and supporters. As we hunker down this winter, this book is meant for your child-at-home or your child-at-heart. We hope you have fun living a day in the life of our mascots as they celebrate a decade of our company. We couldn't have done it without you!

Happy Holidays!
