

# WGL Energy Affinity Marketing Program

The WGL Energy Affinity Partnership is an opportunity for organizations to raise money by providing their members with competitively priced electricity, natural gas and renewable energy options.

## How It Works

### Who We Are

WGL Energy is one of the largest and long-serving energy suppliers in the Mid-Atlantic offering electricity, natural gas, wind power and carbon offsets to Commercial, Industrial, Government and Residential customers in the competitive energy markets of Delaware, Maryland, Pennsylvania, Virginia, Ohio and Washington, D.C. for over 25 years.

With local offices in our service areas, including Tysons, Baltimore, Philadelphia and Pittsburgh, WGL Energy has strong ties and supports the communities it serves. WGL Energy is your local, trusted, and reliable energy supplier with an A+ Better Business Bureau rating.
